 - **Modern security and management capability**, enjoying a unified platform with integrated modern protection - from chip to cloud.

Learn about the key benefits of Microsoft Surface

2-in-1 flexibility to work your way

Kickstand support transforms 2-in-1 laptop devices with a touchscreen and keyboard into a laptop tablet, digital screen, and docked workstation. Optional 4G LTE connectivity allows you to stay connected and built-in security helps keep you safe.

Collaboration in all sizes

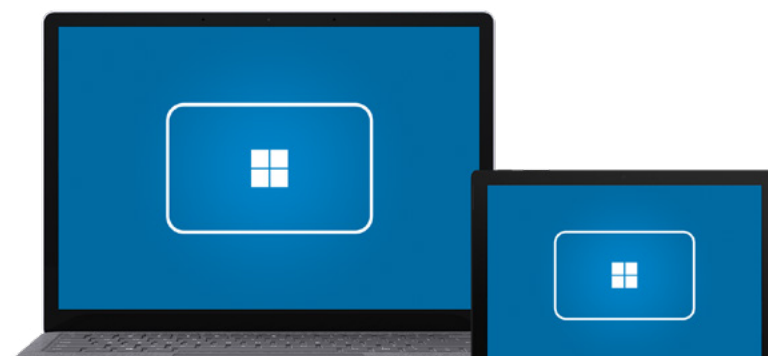

No matter how your teams collaborate, there is an ideal device for the way they work. 5G connectivity in the palm of your hand. A creative studio that brings your ideas to life at the speed of light. Or a digital board and all-in-one meeting platform.
